Unit 2 Review: Getting Ready for the Checkpoint

Lesson 5 · Wednesday, December 16, 2026 · Your task list says which page to do and when.

Part 1: Word Power

Write the best word or words from the bank in each blank. One choice is extra.

Word bank: simplest form multi-step problem inverse operations turning point gradual character change

1. 9/12 written as 3/4 is in _____.

2. Multiplication and division undo each other. They are _____.

3. The moment a character's feelings start to shift is the _____.

4. Find the total, then the change from $20: that is a _____.

5. A change that happens slowly, in small steps, is _____.

Part 2: One problem from each week

Estimate first. Show your work in the box. Fractions in simplest form. Use grid paper if you need more room.

6. Week 6: 76 × 54 = _____

7. Week 7: 828 ÷ 36 = _____

Check: _____ × _____ = _____

8. Week 8: 2/3 − 1/4 = _____

9. Week 9: $2.65 × 6 = $_____

10. As decimals: **1/2 =** _____ **1/4 =** _____ **1/5 =** _____ **1/10 =** _____

Part 3: Two skills at once

For 11 and 12: a customer buys 3 lb of apples at $1.95 a pound and half a pound of pistachios at $8.80 a pound. Work in the boxes.

Work for 11 and 12

Work for 13

Work for 14

11. The total is $_____. 12. Change from a $20 bill: $_____

13. A tray has 36 rolls. 1/6 are eaten on Thursday and 4/9 on Friday. How many rolls are left?

_____

14. Is your total in 11 reasonable? Explain with an estimate.

Part 4: Reading

Read the story. Then answer.

Dev's Tomato Plant. At first, Dev thought gardening was boring. He watered his tomato plant only when his mom reminded him. Then one hot week the plant drooped, and two leaves turned brown. Dev felt terrible. He made a chart, watered the plant every morning, and checked its leaves after school. By the end of the summer, he picked nine red tomatoes and proudly gave the first one to his grandmother.

15. How did Dev change?

- He stayed bored and only watered it when reminded
- He went from not caring to caring for the plant
- He stopped gardening after the hot, dry week

16. What is the turning point in the story?

17. Write one detail that is evidence Dev changed.

18. “Because the plant got no water, its leaves turned brown.” This sentence shows:

sequence | cause and effect | compare and contrast | problem and solution

Unit 2 Checkpoint

Name: _____ **Date:** _____

PRE-LESSON WARM-UP · DO THIS BEFORE YOUR COMPUTER LESSON

Before the Checkpoint

Four weeks, four characters, eight big skills. Before the Checkpoint begins, do a quick self-check on both Math and Reading from Unit 2.

1. Quick Math review — solve all four: 16 × 3 = ___ 84 ÷ 12 = ___ 1/2 + 1/4 = ___ 1.5 × 2 = ___

2. Which of the four READING skills — character change (Wk 6), comparing viewpoints (Wk 7), author's purpose (Wk 8), or text structure & synthesizing (Wk 9) — do you feel MOST confident about? Why?

Unit 2 Wrap-Up

You made it through Unit 2! Now reflect on everything you learned with Malik, Amara, Deja, Malia & Theo, Sophia, Ravi, and Elena.

1. Which MATH skill from this unit — multiplication, division, fractions, or decimals — was hardest for you? Explain why.

2. Which READING skill from this unit was hardest for you? Explain why.

3. Pick ONE character from Unit 2 and explain what real-world skill they taught you.

★ **Challenge:** Write a 3–4 sentence letter to a Grade 4-5 student starting Unit 2 next year, giving them advice based on what YOU learned.

Looking Ahead: Unit 2 is complete! Ask your teacher or parent what's next on your KCE Pathway.

What Do I Already Know?

Write what you know right now. Guesses are fine; this is your starting point.

1. What have you heard about Christopher Columbus? Write two things.

2. Who was already living in the Caribbean when Columbus arrived? Write what you know or guess.

3. Prediction: When people from two different worlds meet for the first time, what might each side gain? What might each side lose?

4. Guess: Name two foods you eat that you think first grew in the Americas.

5. Write one question you have about what happened after 1492.

What Did I Learn?

Use evidence from today's lesson. Write in complete sentences.

1. Using Columbus's journal as evidence, explain what he planned for the Taíno. Quote or describe his words.

2. Name one thing that moved from the Americas and one that moved to the Americas in the Columbian Exchange. Who benefited, and who paid the cost?

3. Choose Hatuey, Las Casas or Estevanico. Explain what that person did and why their story matters.

4. Whose voice is missing from most written records of 1492? How could historians learn more about it?

★ **Challenge:** Many old books say Columbus "discovered" the Americas. Rewrite that idea so it is accurate and fair, then explain your change in one sentence.

Looking Ahead: Next week is the Unit 1 Checkpoint, where you show what you learned in Weeks 1 to 4. Bring this question: which source from this unit helped you understand the past the best, and why?

What Do I Already Know?

Answer what you can. Guessing is fine; this is just to find out what you already know.

1. Name any Indigenous nation you know of that lived in Florida, long ago or today.

2. Prediction: People in south Florida long ago lived near the ocean. How do you think they got most of their food?

3. Draw an outline of Florida. Mark where you think people lived long ago, and label one place.

4. What is one question you have about how we can learn about people who did not write books?

5. Why might a story written by a visitor be different from the story the people would tell about themselves?

Show What You Learned

Use evidence from the lesson in your answers.

1. Match each nation to its homeland in a sentence or two: Calusa, Timucua, Apalachee, Tequesta.

2. Compare: How was the Calusa way of getting food different from the Apalachee way? Give a reason.

3. Name one piece of archaeological evidence and one Spanish record from the lesson. Which point of view is missing from both?

4. Cause and effect: Give two causes for why most of Florida's original nations were gone by the 1700s.

★ **Challenge:** Who benefited and who paid the cost when Spain and England came to Florida? Explain in two or three sentences, and name one nation that still lives in Florida today.

Looking Ahead: Next Florida Focus lesson: Spanish Florida, St. Augustine and Fort Mose, a free Black town. Bring this question: How could a Spanish colony also become a place where people escaping slavery sought freedom?
